Hasil polling ttg motivasi mhs 2020 masuk Kedokteran

The screenshot shows a Zoom meeting interface. A poll window is open in the center, titled '1. Motivasi masuk kedokteran'. The poll results are as follows:

Motivasi	Persentase
Diri sendiri	90%
Orang tua	9%
Kakak/Adik	0%
Calon mertua	0%
Lain-lain	0%

The poll window is circled in red. The background shows a Zoom meeting with participants' video feeds at the top and a presentation slide on the left. The slide features the text 'Self-directed Learning' and 'Ready learn' along with the logo of UNS (Universitas Sebelas Maret). The right sidebar shows a list of participants (253) and a group chat window with messages.
